Dear Referee

Thank you for agreeing to provide a confidential reference for this applicant, who seeks to be a resident at The Women's College within The University of Queensland.

The Women's College is a community of young women who lead a very full and committed life. It is important that the offer of a place goes to someone who would be suited to such an environment.

When completing the Referee's Report, it is more helpful if you consider the applicant and her suitability for college life, rather than simply addressing her strengths as a student. We also strongly urge you to use this form provided, rather than forwarding a general reference which is less effective for our purposes.

The information you provide will be used only for the purposes of a College application and will not be disclosed to anyone else.

It is the applicant's responsibility to provide you with the confidential Referee Report form, which can be completed and signed electronically or you may scan the completed Referee Report and email it to admissions@womens.uq.edu.au. Your assistance is greatly appreciated.

Yours sincerely

Mrs Florence Kearney
Head of College & CEO
