The Women's College
Associate Membership

Becoming a Women's College Associate provides many connections within the Women's community and to the other colleges on The University of Queensland campus.

The Associate program is great for any student who commutes to university and wants to embrace the many benefits of a residential college such as academic tutorials, mentoring and networking opportunities.

Membership to the Associate Program includes the following benefits.

Orientation Week (first semester)
» Participate in the Orientation Week Program (includes all accommodation, meals and activities for six days with all first-year residents and associates)
» Receive a Women's College shirt and hat

Facilities
» Join College residents for lunch during the week in the Dining Hall at no additional cost
» Purchase dinner in the Dining Hall at an additional fee per meal
» Access to study spaces (e.g. Study Hub, music room)
» Access to Tennis/Basketball court

Educational
» Attend College-run tutorials
» Receive wellbeing and academic support from staff and student leaders
» Attend Formal Dinners (guest speakers & networking opportunities)

Ready to Lead Program
» Participate in a bespoke development program called 'Ready to Lead'
» Access mentoring and internship opportunities

Social
» Purchase tickets to Social events organised by the Student Club Executive
» Purchase Women's College student merchandise
» Obtain a UQ Sport gym membership at a discounted rate for Women's College students
» Participate in community-based activities
» Support cultural and sporting events
